

The Anglican Relief and
Development Fund[®]

Powerful Partnerships

Transforming Our World

Are You a Federal Employee or Serving in the Military?

There is an easy way to help struggling families overseas: give to The Anglican Relief and Development Fund (ARDF) through the Combined Federal Campaign (CFC), and change lives in the developing world just like you change them here at home.

The CFC allows you to donate to a charity of your choice through a simple, tax-deductible, payroll deduction, so giving is easier than ever:

- Visit www.opm.gov/cfc
- Find your local CFC and pledge to ARDF using our five-digit code: 65974

It's as easy as that!

ARDF partners with local Anglican churches in the developing world to relieve extreme suffering and transform lives and communities through holistic, sustainable, high-impact development projects.

We work tirelessly to provide education, health care, clean water, food security, gender equality, economic opportunities, and the hope of the Gospel to the world's poorest and most vulnerable people.

Our CFC Code: **65974**
