ARDF Vision Trips combine mission and vision. The goal? Engaging hearts for Christ in personal and powerful ways through ARDF partnerships on the ground in the developing world.

"We want to provide a way for people to see the world-wide Anglican church in action in such a way that those who go have a powerful, even transforming, spiritual experience, something like a 'mission pilgrimage.'"

Rev. Bill Haley, ARDF US Trustee

"Blessed are those whose strength is in you, whose hearts are set on pilgrimage." Psalm 84:5
