

# Come to Kenya with KCEP & ARDF! May/June 2020

The Northern region of Kenya is very different from the rest of the country. Christians are a minority. The Anglican Church is working to build up the community through Christian education and other community projects. Come see what God is doing through the local church in this strikingly beautiful and arid region.

Highlights will be visiting the capital city of Nairobi, then traveling north to Marsabit and Sololo to visit Tumaini Academy and the future home of St. Andrew's High School. The trip will end with two nights at Samburu National Park to see giraffe, elephants, and perhaps a leopard, cheetah, or lion among breathtaking scenery.

Cost: \$3,250 pp (double occupancy). Does not incl. r/t airfare to Nairobi from the US. For more information contact the Rev. Canon Dr. John Macdonald, [john.macdonald@kcep.info](mailto:john.macdonald@kcep.info), Christine Jones, [christine@ardf.org](mailto:christine@ardf.org), or Flora Galbraith, [flora@ardf.org](mailto:flora@ardf.org).
